DIVISION OF WASTE MANAGEMENT**

NOTICE

2005 LANDFILL OPERATOR AND MANAGER CERTIFICATION SCHOOLS

The Division of Waste Management's annual training and certification program for **Landfill Operators will be held June 1, 2, and 3, 2005; certification for Landfill Managers will be held June 7, 8, and 9, 2005.** Classes will be held at Central Kentucky Technical College in Lawrenceburg, KY. The objectives of this program are to promote environmentally sound solid waste practices and train landfill operators and managers. The school will contain sessions on how to manage solid wastes; landfill planning, design and construction; landfill operations, safety and health issues; landfill management; monitoring landfills; permitting and regulatory compliance. Upon successful completion of the course, class participants will become certified for five years. Classes usually run from 8:30 a.m. until 4:30 p.m. each day. Please arrive in time to sign in each day prior to class.

WHO MUST ATTEND: All landfill facilities in Kentucky must have a certified operator and manager. Closed landfills must have a certified manager during the 2-year closure period. **If you were granted interim status, or if your certification expires on or before December 31, 2005, you MUST register to attend one of the schools.** Persons wanting both Operator and Manager certifications need to attend the Managers course only. Attendance priority will be given to individuals who have been granted interim status and to operators and managers needing certification due to expiration.

FEES: The fees listed below include the training course, a training manual, study guides, class supplies, refreshments, and test for certification. Checks or money orders for registration should be made payable to the **Kentucky State Treasurer** and should be received **no later than March 25, 2005. Please send in one check for each certification registration.**
